**The Best Author of
3rd Capodimonte Small Prints 2020
Montenegro**

Mr. Luc Stalmans

EFIAP/b, EPSA

Born & raised and still living in Herselt, a small village near Antwerp/Belgium. The few moments left after my work is mainly spent on photography in all its aspects. I consider myself an amateur photographer full of passion for this Art. Love Potrait, Fine Art nude, and Architecture Photography.

Started with Photography in 2015. In 2016 I started with National Competitions and won two times "The Medal of the King" in Belgium. 2017 was the year I started with International FIAP and PSA competitions. In 2018 I joined the photo club "Duffelse Fotokring" where the very old masters there showed me the way to be successful in Printing photography.

In 2018 I reached the AFIAP level, in 2019 EFIAP, in 2020 EFIAP/b. In the past two years, I was 2 times 1st (color) and 2 times 2nd (mono) in the PSA who's Who world ranking for Large printing work. I'm very honored to receive from Unlimited Photo the FIAP blue pin (nr. 30) for the best author in this Capodimonte Printing competition.
